Table of Contents

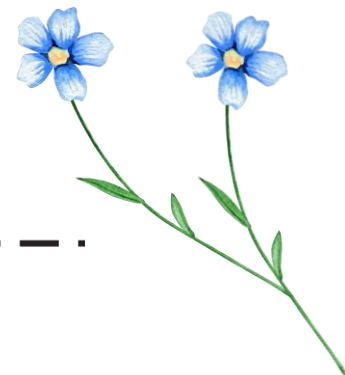

1. Pre-Writing Practice
2. Patterning.
3. Cutting practice.
4. Counting practice
5. Pattern matching.
6. Puzzle by number.
7. Do-a-dot - beginning sound practice.
8. Tracing practice.

Table of Contents

7. Shadow matching: Cut out the rectangles and let your child match the shapes to the figures
8. Color matching: Cut the rectangles (or shape birds if you prefer). Laminate and let your child match the birds by colors.
9. Do a dot marker letters: A fun way to introduce letters to toddlers. You can laminate the pages and also use stickers or magnets to fill the letters.
10. Size sorting: Invite your toddler to sort the walrus by size.
11. 3 Part Cards

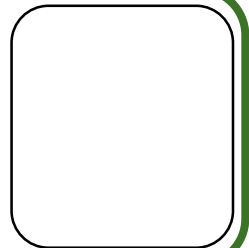

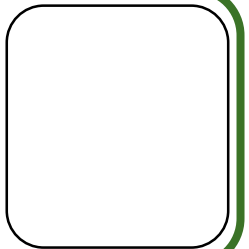

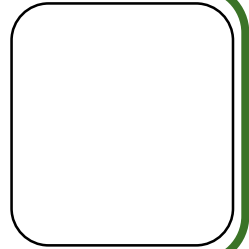

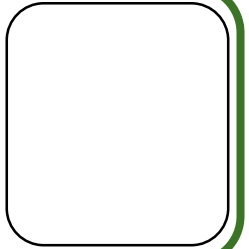

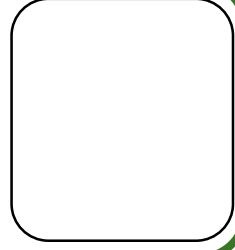

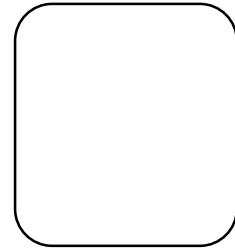

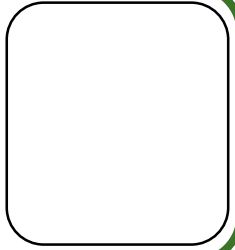

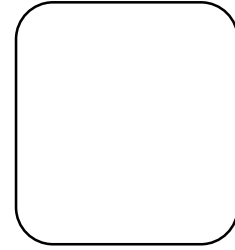

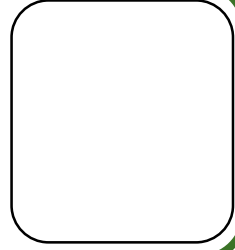

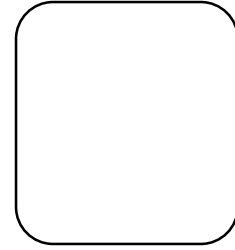

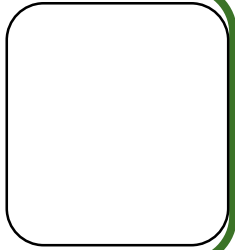

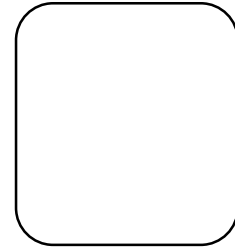

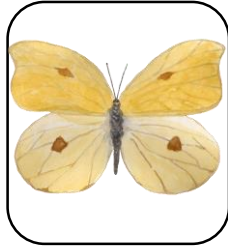

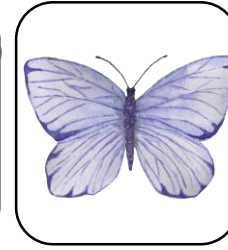

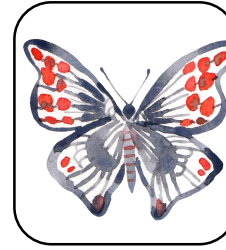

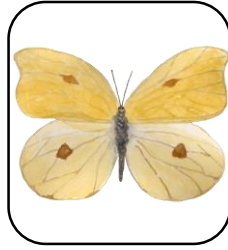

Patterning

Instructions

1. Print out the three patterning pages.
2. Laminate.
3. Cut the green strips from the first two pages and the squares from the third page.
4. Invite your child to place the right illustration on the missing squares in each strip.

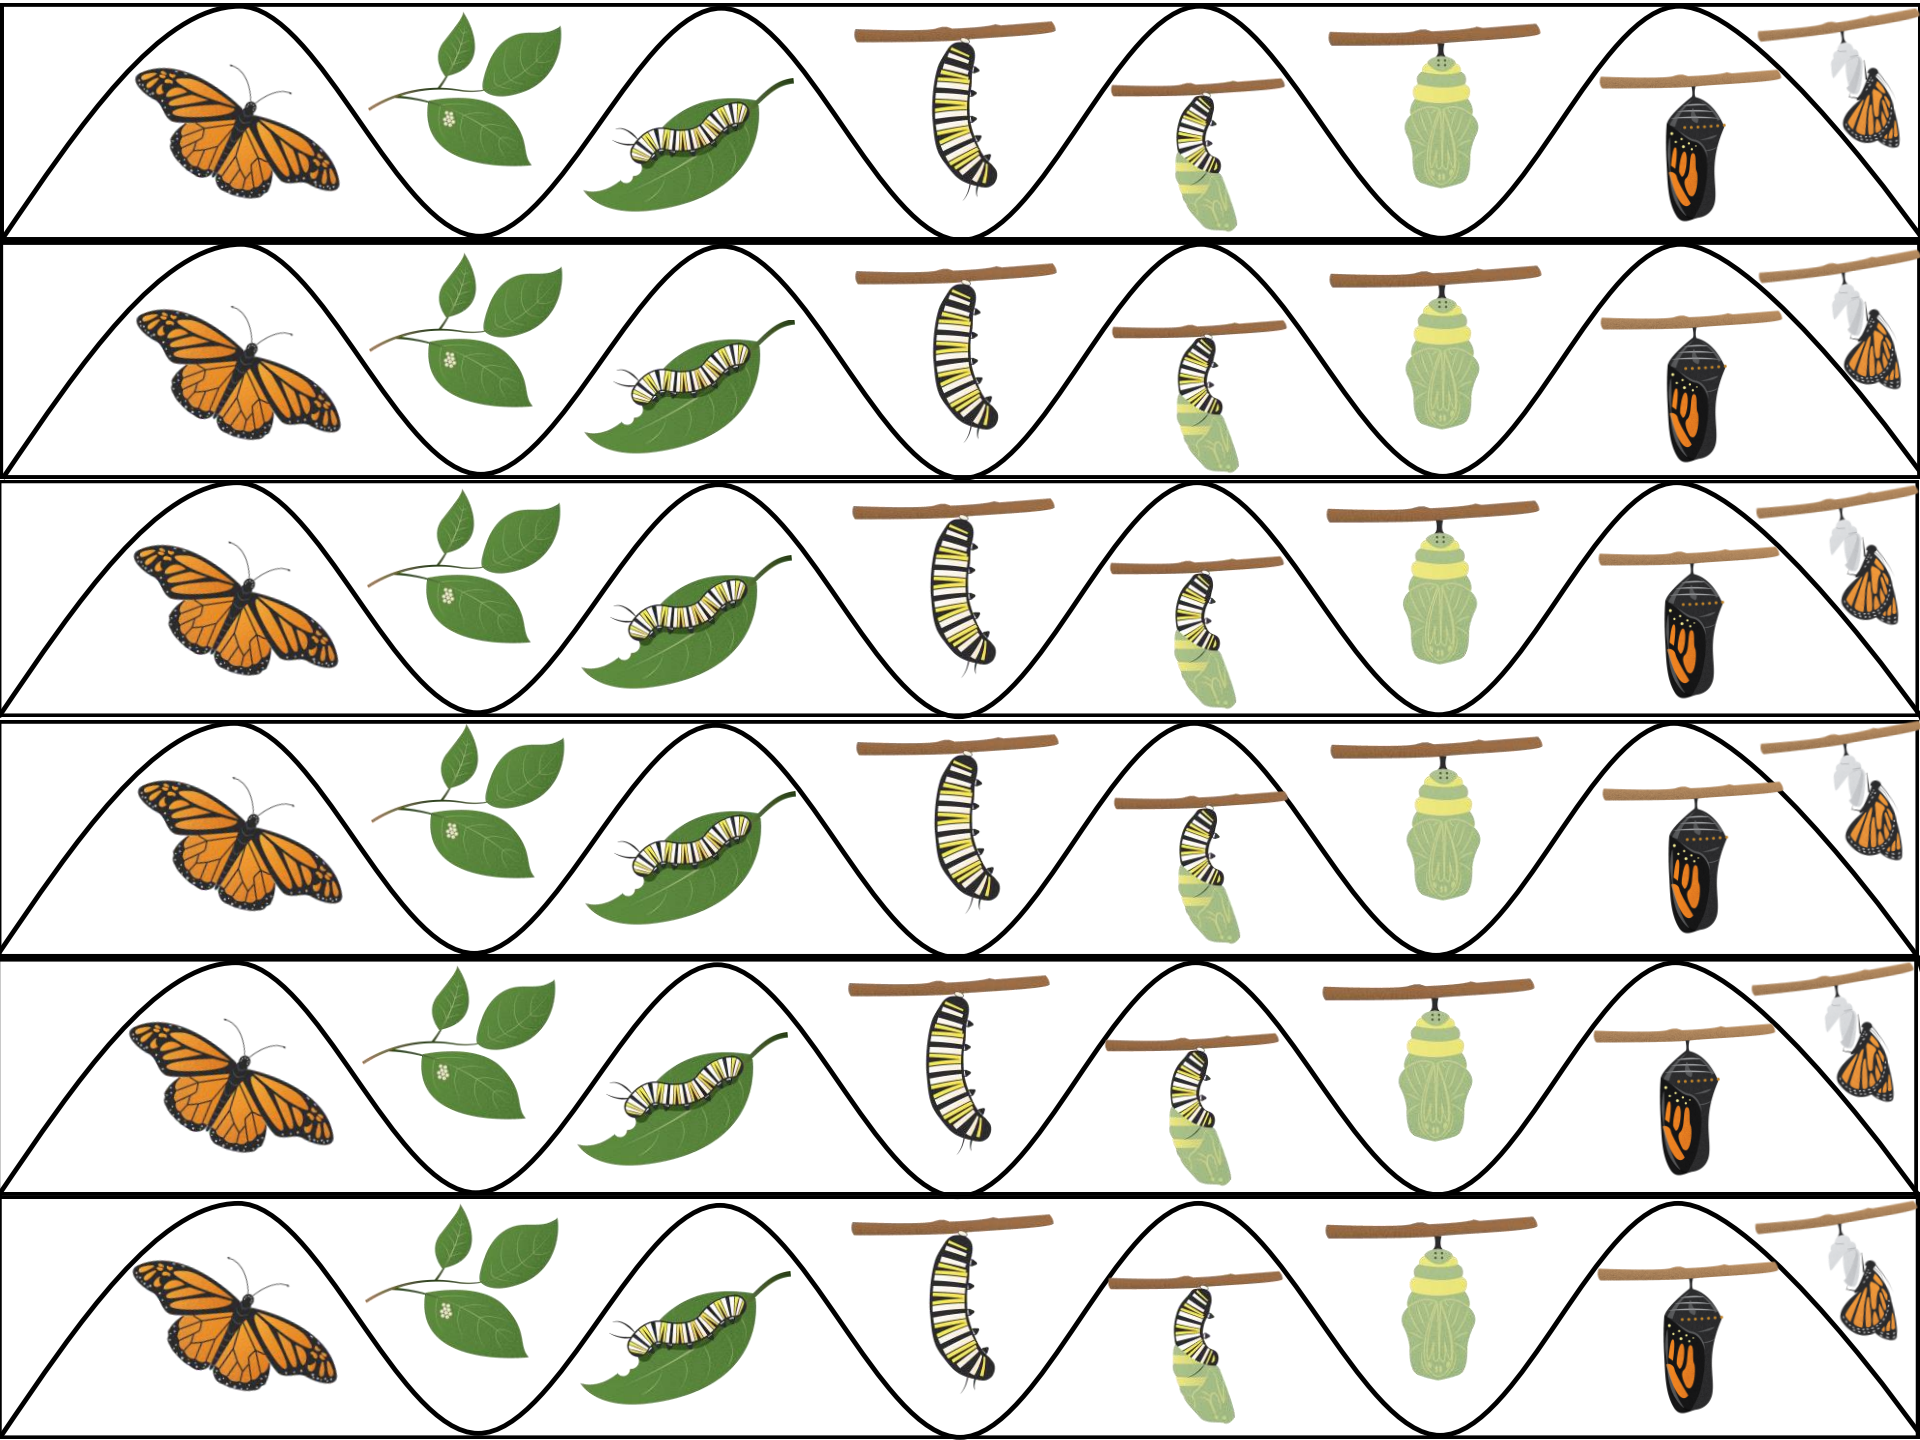

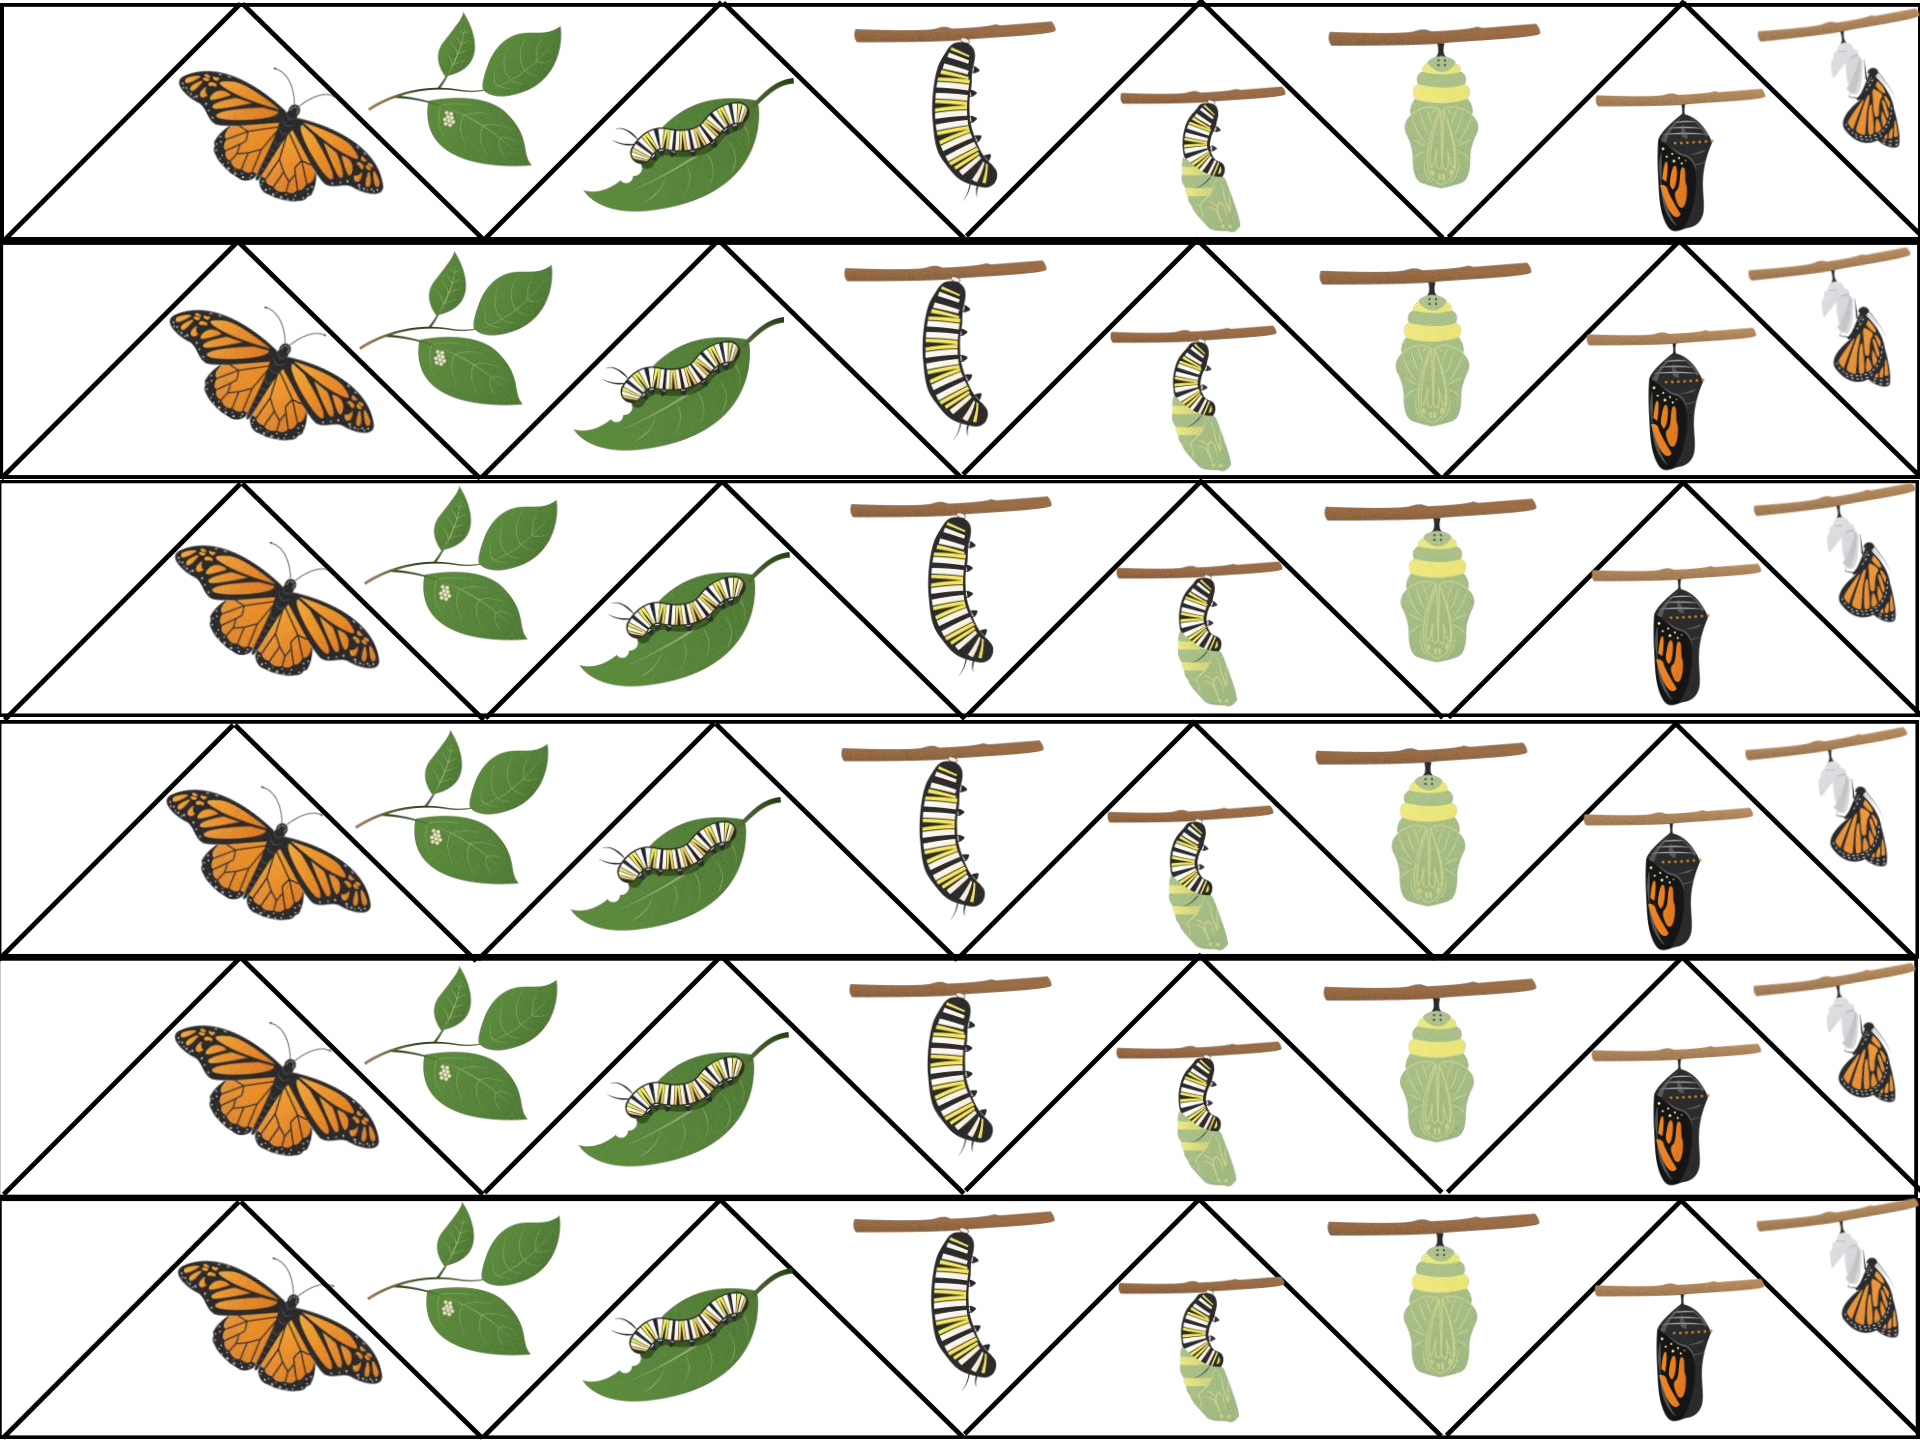

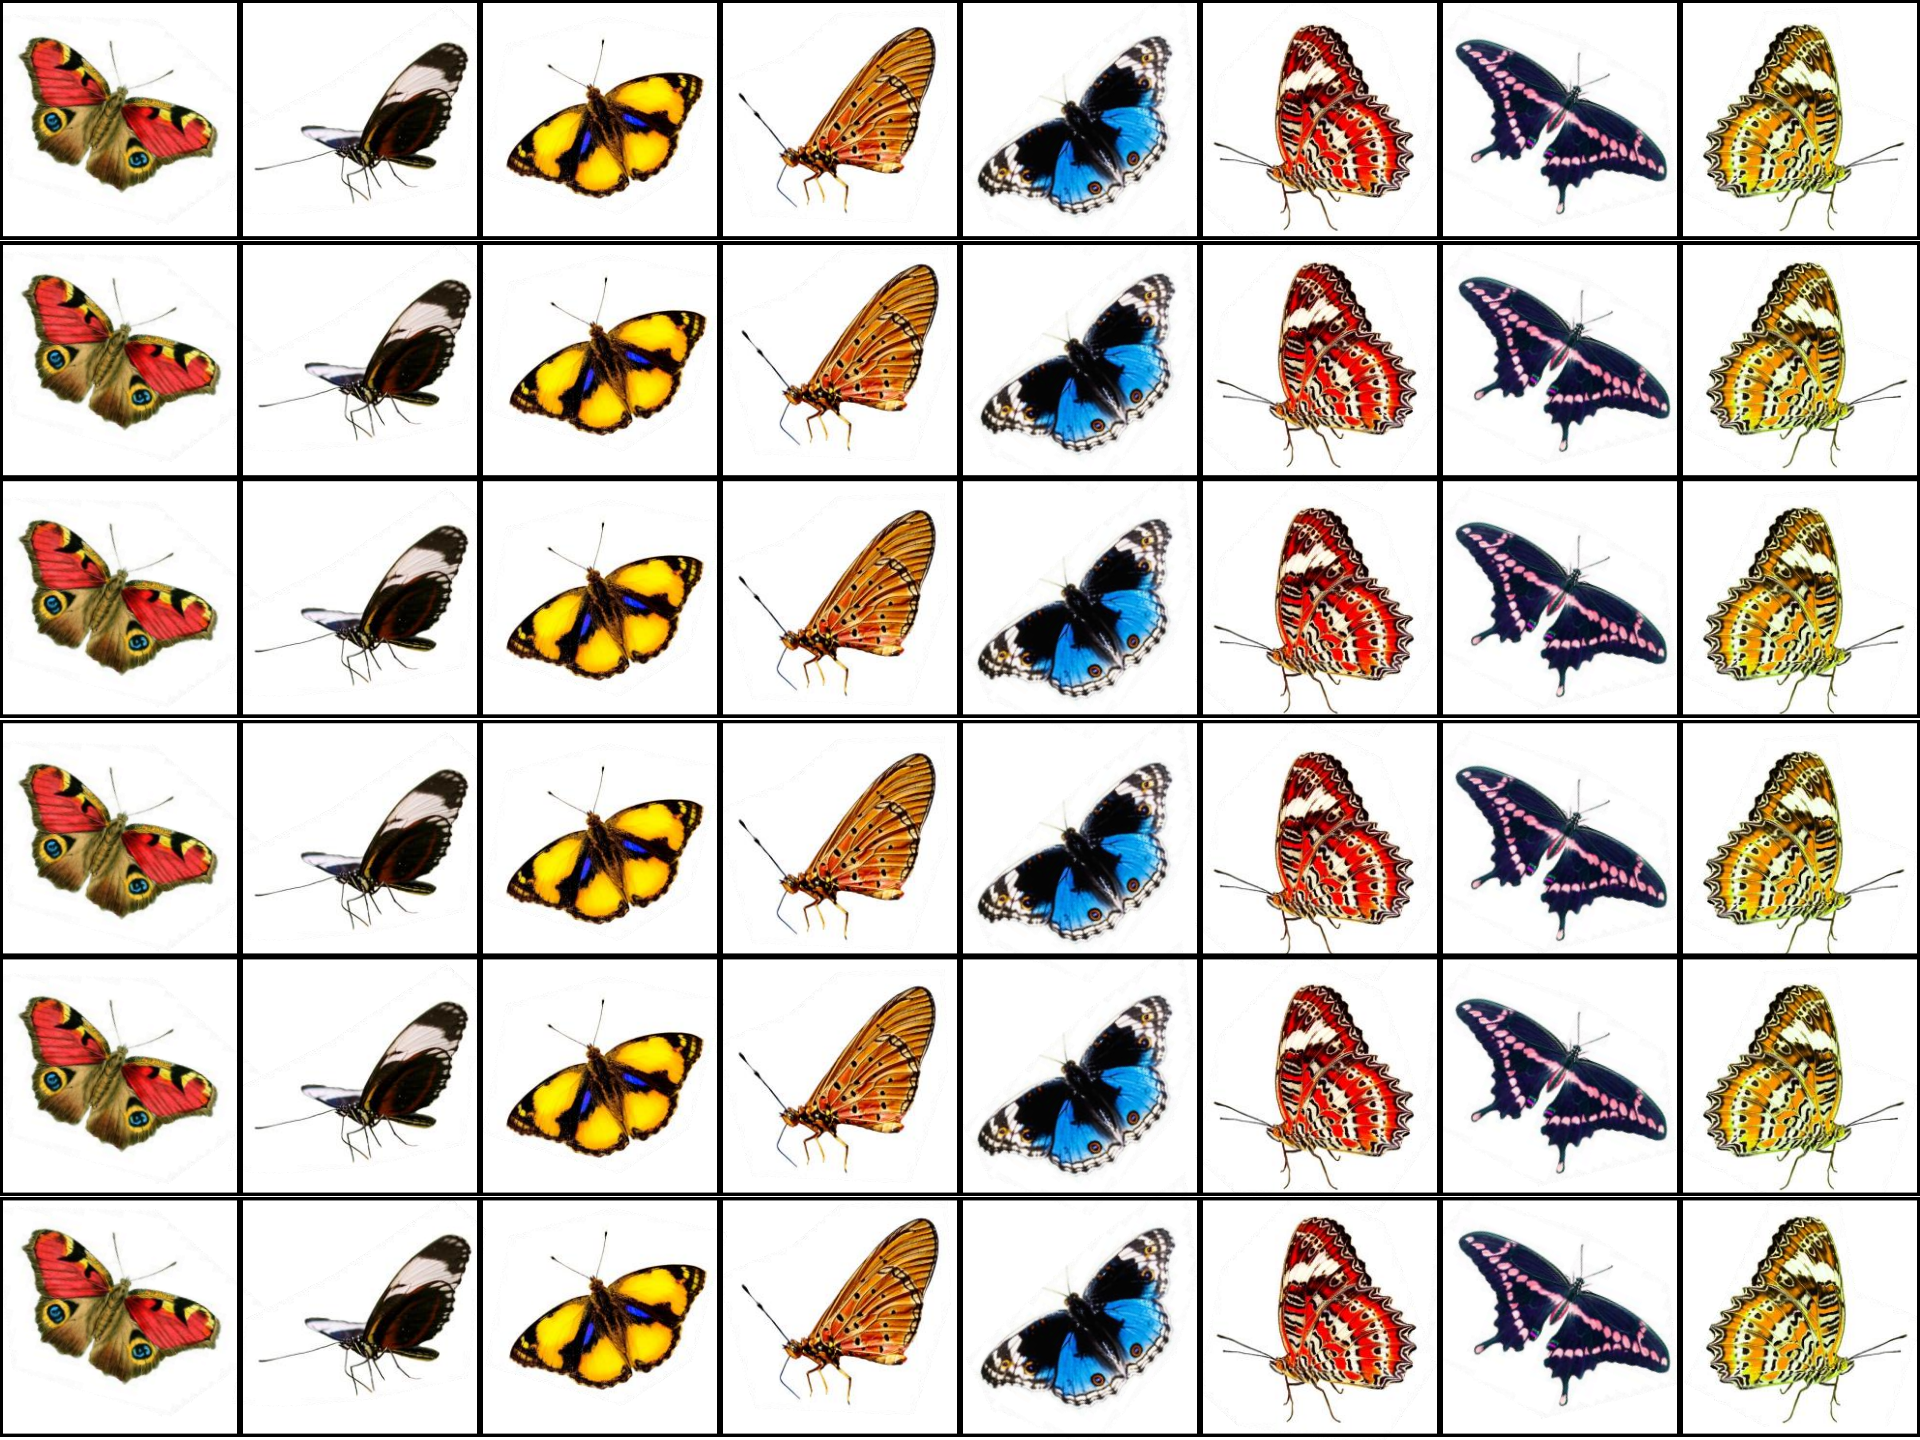

Cutting Practice

Instructions

1. Print out the cutting practice page.
2. Cut the strips.
3. Invite your child to cut along the lines.
4. Optional: Invite your child to use the squares she cut to make a collage with paper and glue.

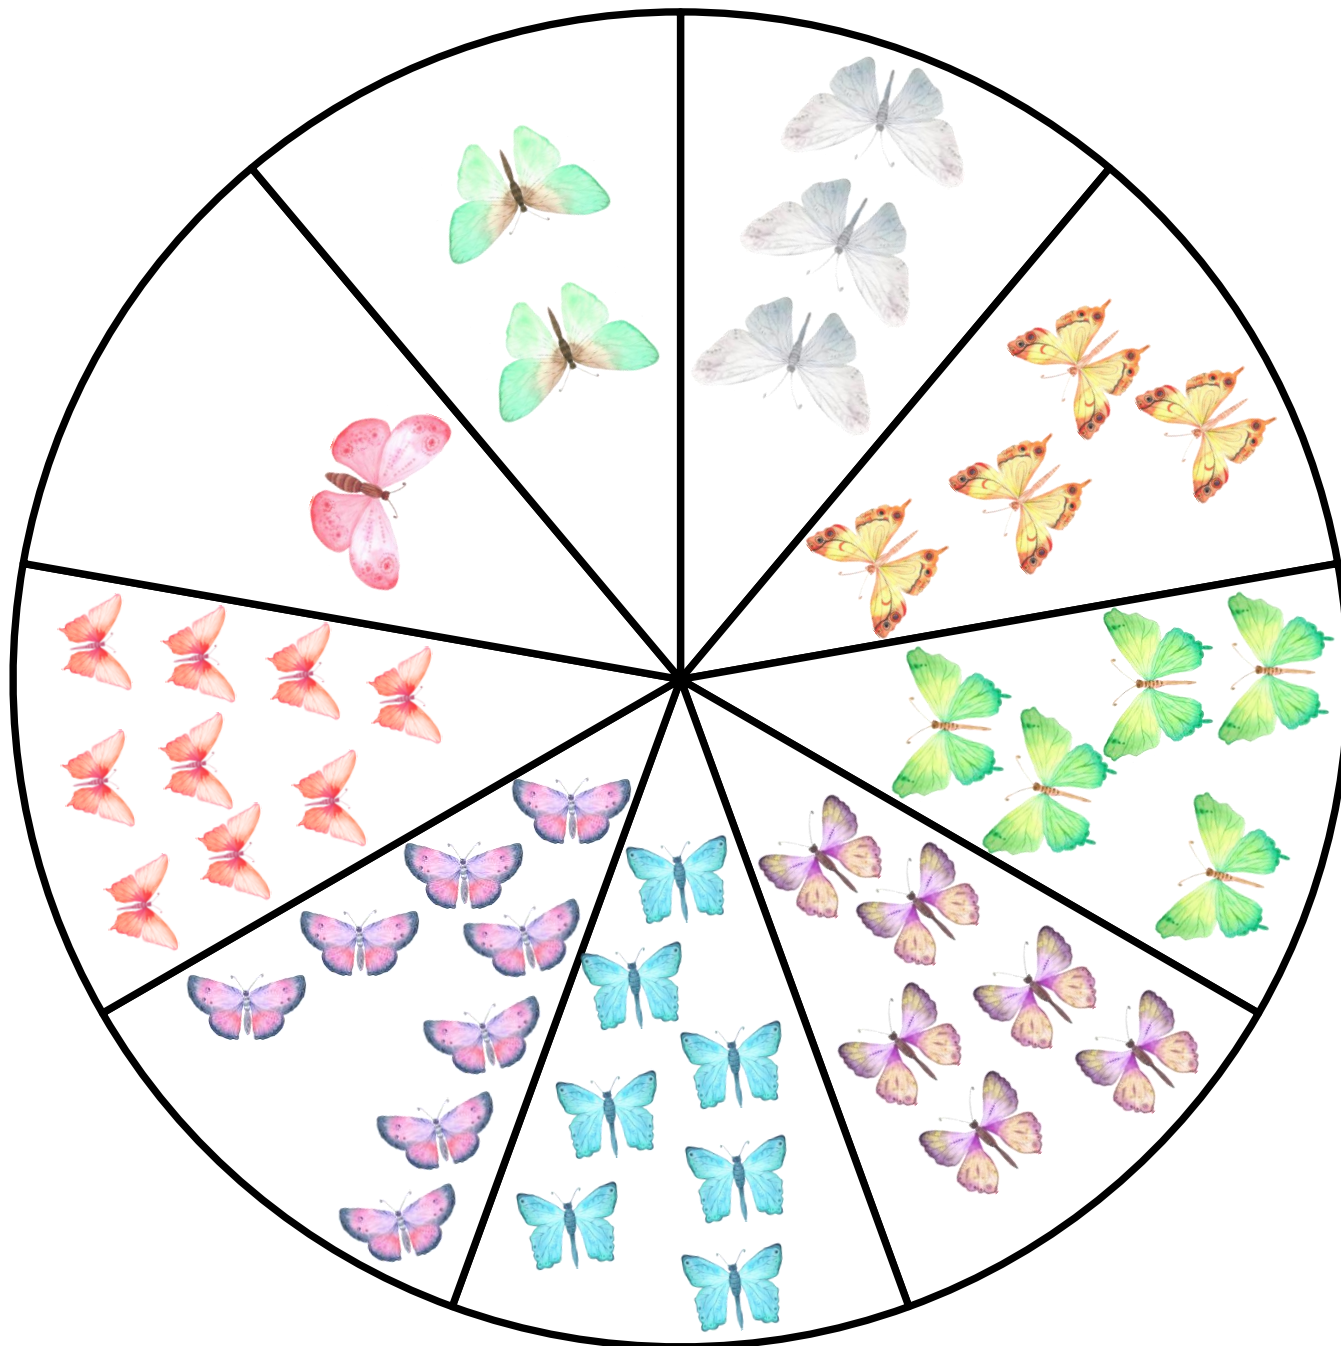

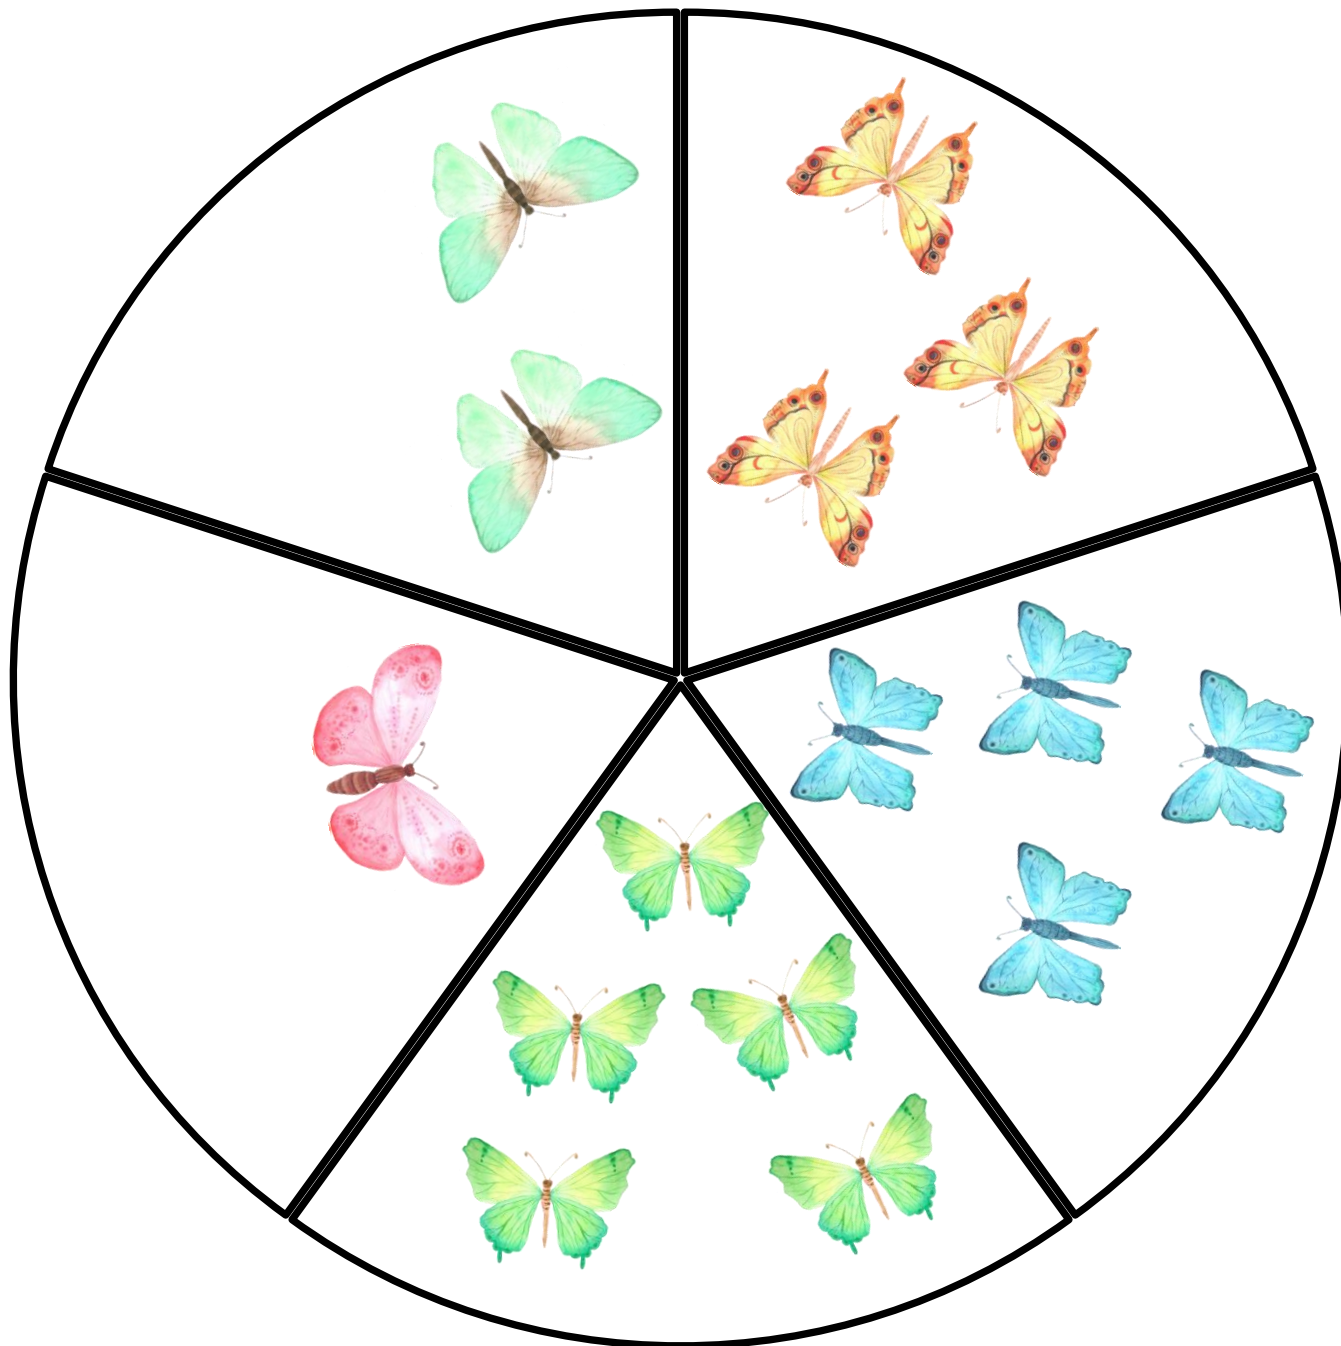

Counting Practice

Instructions

1. Print out the counting practice page (up to 5 or up to 10 depending on your child's number recognition level).
2. Laminate and Cut out the circle.
3. Mark clothing pins with numbers (up to 5 or up to 10 depending on the page you printed).
4. Invite your child to count the butterflies in each segment of the printable and match the pin with the correct number to it.

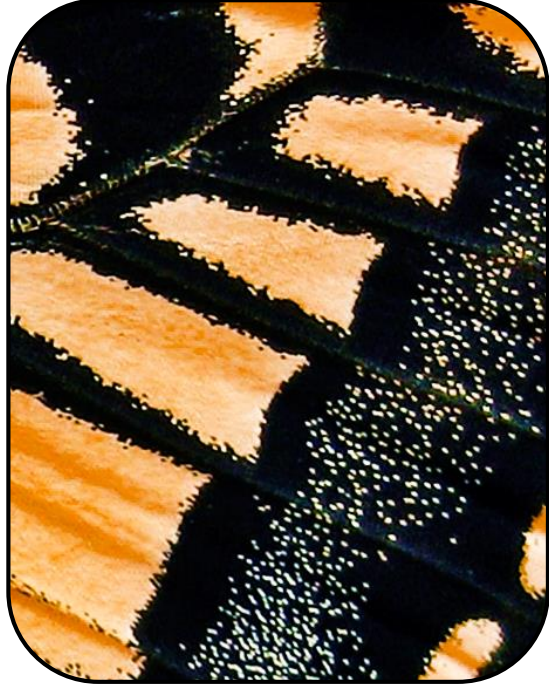

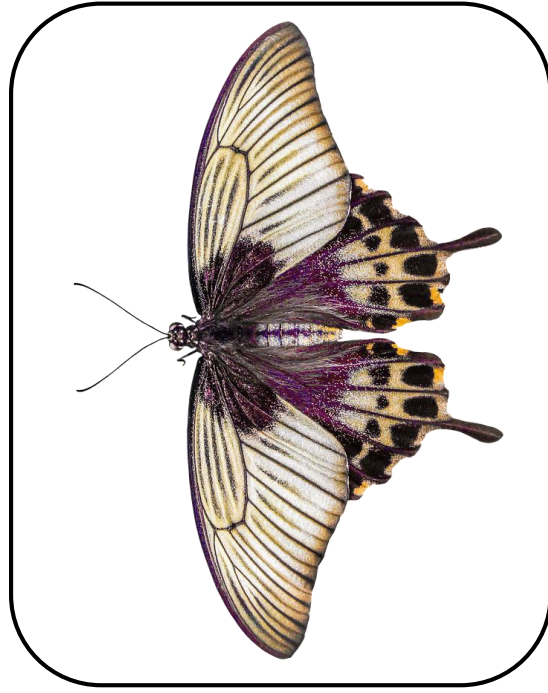

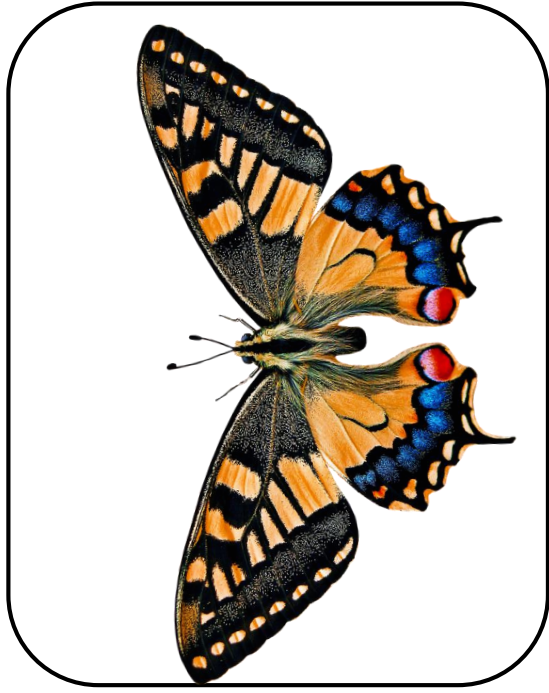

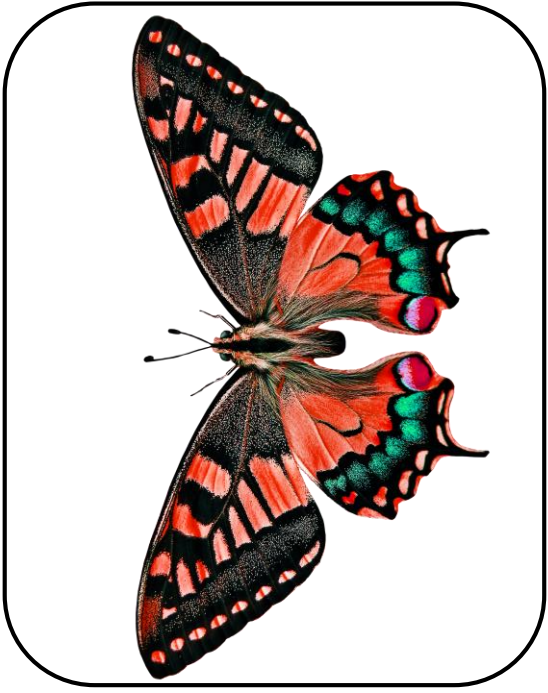

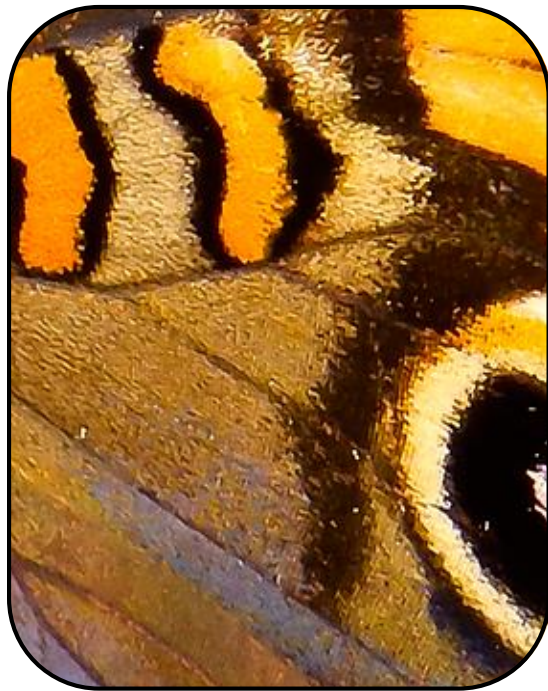

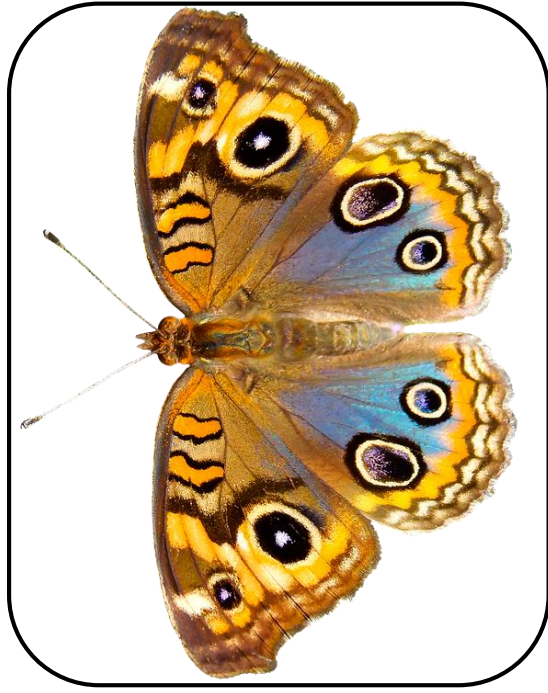

Matching patterns

Instructions

1. Print out the pattern pages.
2. Laminate and cut the pieces.
3. Invite your child to match the pattern to the correct butterfly.

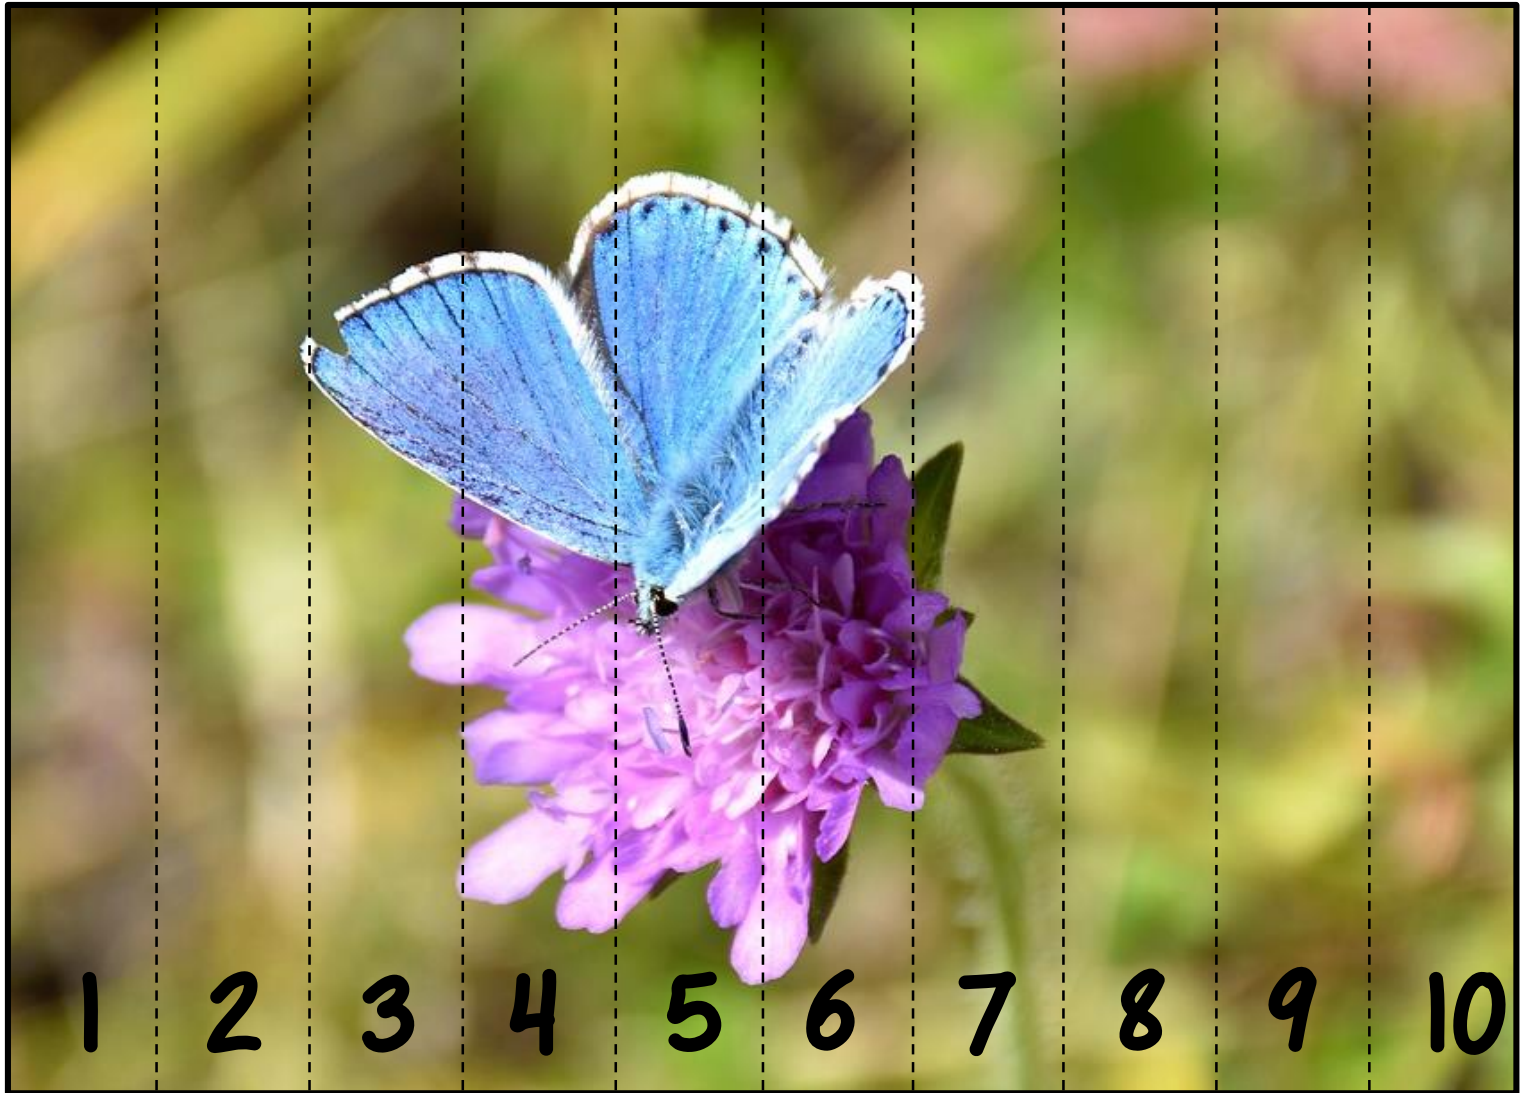

Puzzle by Number

Instructions

1. Print out the puzzle.
2. Laminate and cut the strips.
3. Invite your child to put the pieces together to form the Easter bunny picture.

Tracing printables

Instructions

1. Print the tracing pages.
2. Invite your child to trace the letters using a pen or colored pencil.
3. Alternative: Laminate the pages and invite your child to trace using a dry-erase marker so he can trace the words more than once.

Thank you so much for believing and supporting entrepreneur moms!

When you purchase printables from my shop you are supporting my blog and small business.

A bit about me: A former researcher in the chemistry field who has travelled around the world studying suddenly turns a stay at home mom. After 2 years I decided to start my blog and printable shop to provide resources to multilingual families and educators.

If you find any errors in this printable please write me to:
unozweitutu@gmail.com

Thank you!

Isabel
